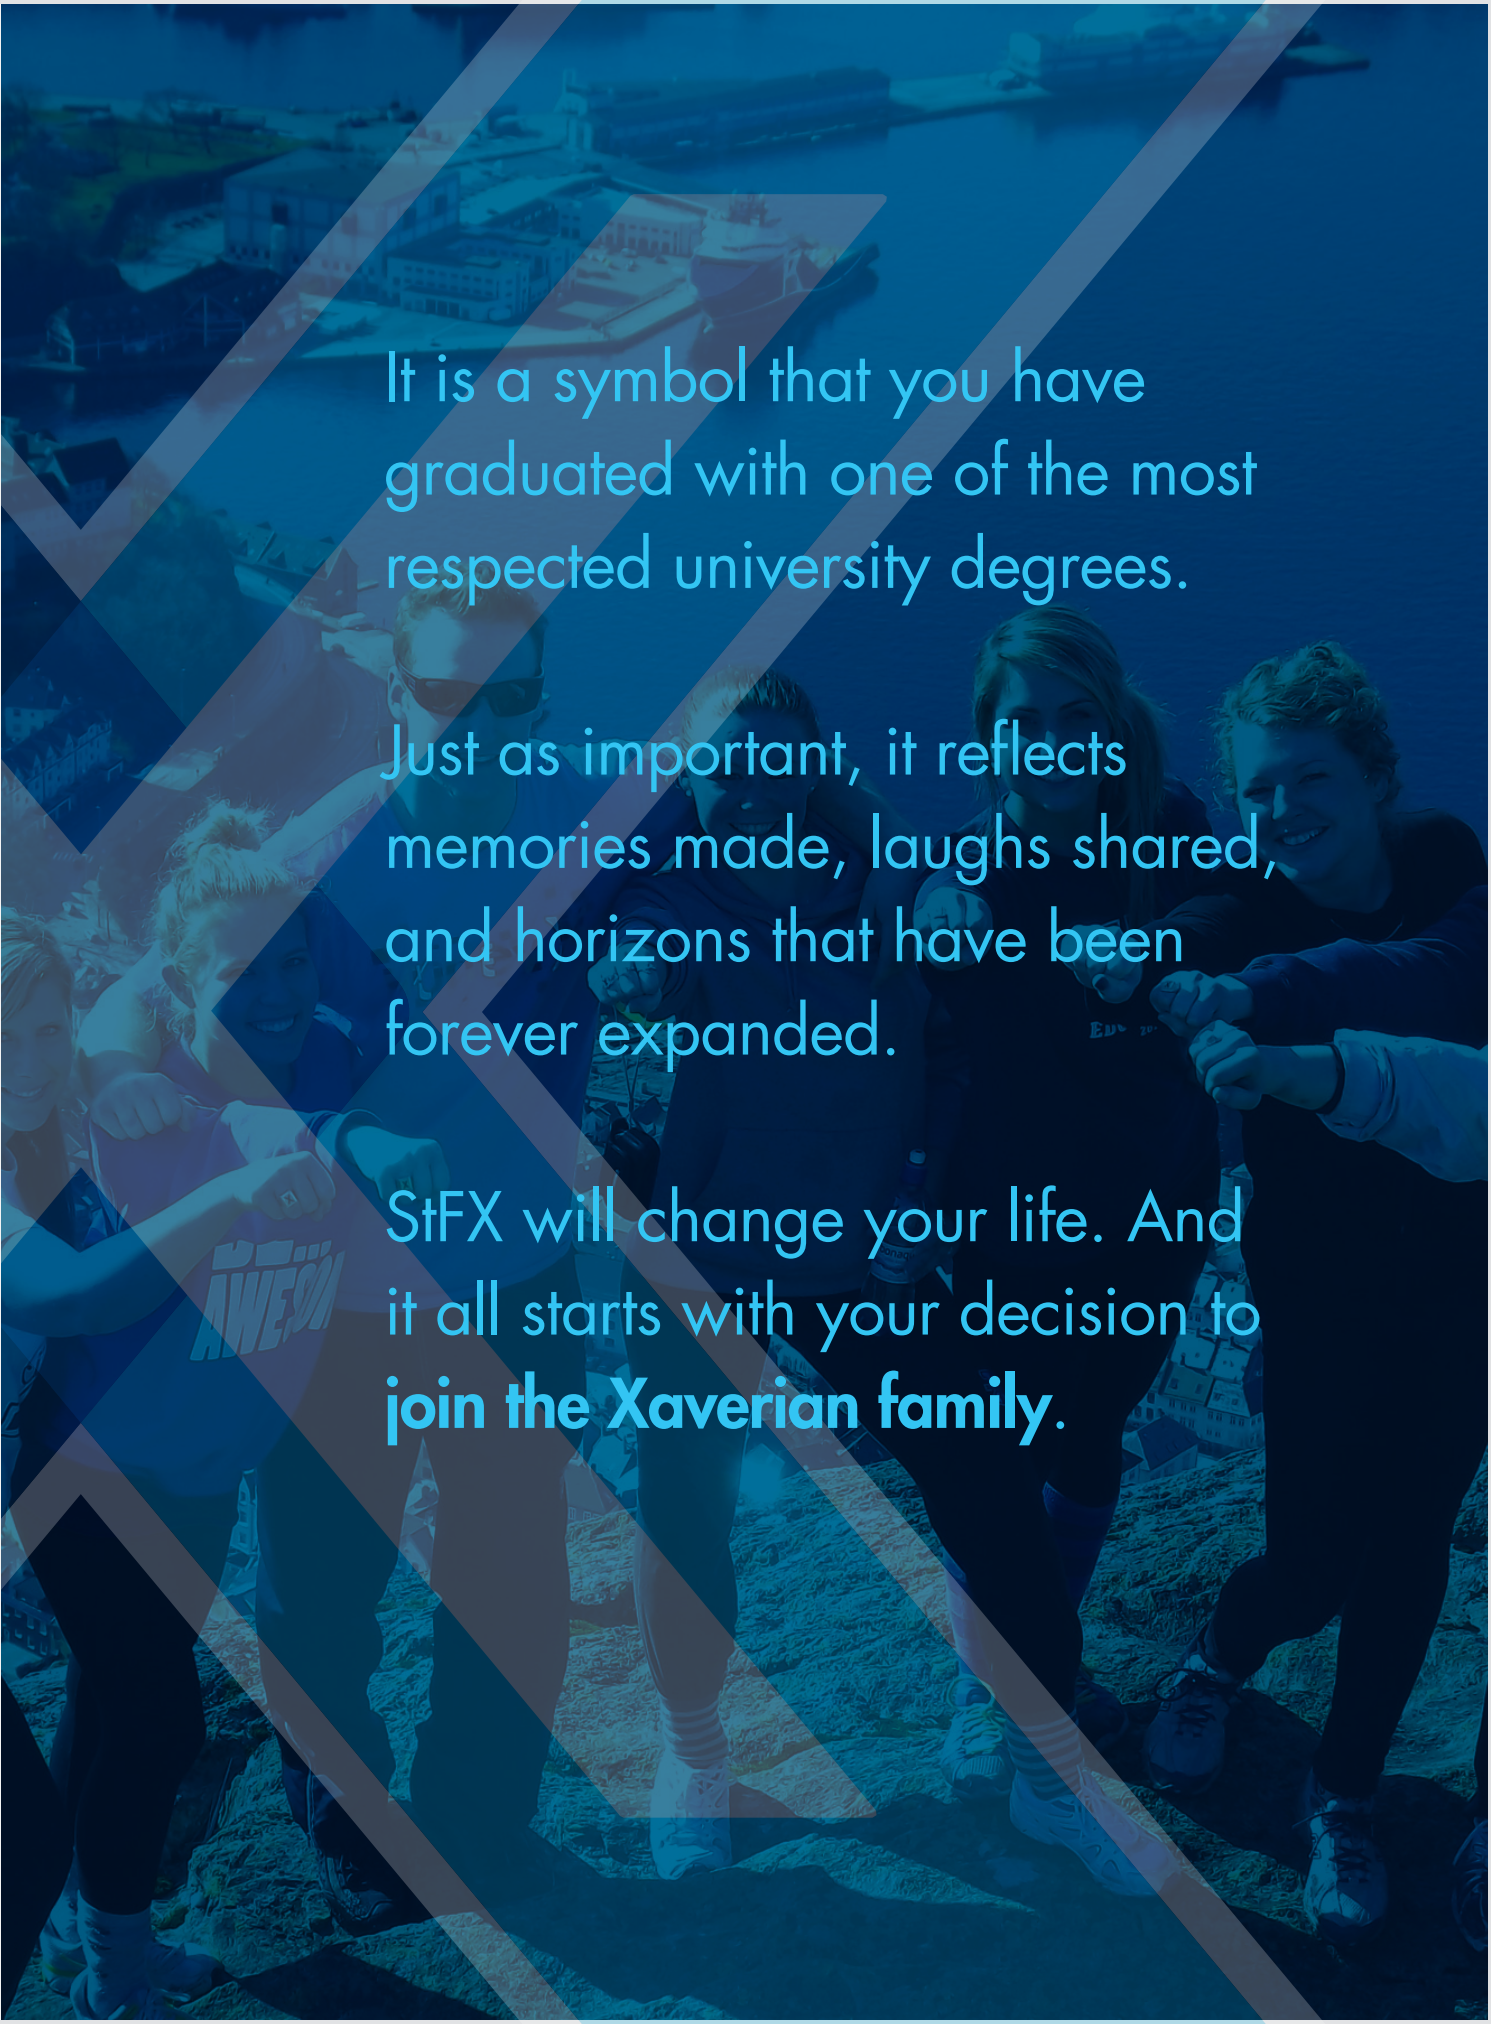
UNIVERSITY AS IT IS MEANT TO BE

The X-Ring stands apart as an international symbol of educated minds.

And a magnet for great ones.



It is a symbol that you have graduated with one of the most respected university degrees.

Just as important, it reflects memories made, laughs shared, and horizons that have been forever expanded.

StFX will change your life. And it all starts with your decision to **join the Xaverian family**.

Small university.
Big opportunity.

If you choose StFX, you'll join a community of young, engaged citizens who are eager to make the world a better place. Why do these students come to StFX? Because we equip them with the skills they need **to make a difference**.

· WHERE WE EXCEL ·

LEADERSHIP

Learn what it means to lead at the same university that's produced countless political, business and community leaders.

CITIZENSHIP

StFX students engage with the world around them. They build the world they want to see.

COMMUNITY

Small class sizes. A residential campus. And an alumni network of more than 40,000 members strong.

The StFX Commitment:

TO EXCEPTIONAL TEACHING

StFX employs full-time faculty, almost all with PhDs. Why does this matter? It means you'll learn directly from professors—accomplished scholars and experts in their fields, not teaching assistants.

TO INCREDIBLE RESEARCH OPPORTUNITIES

StFX student researchers work alongside their professors on real-world projects, something other universities typically offer only at the graduate level—first-hand experience that gives you a leg up in your career, graduate or professional school.

TO FOSTER OUTSTANDING STUDENTS

Our faculty and staff want you to excel. They're here to support you along your path of discovery. They won't just know you by name—they'll take an active role in your success. It's this personalized experience that will make your time at StFX so exceptional.

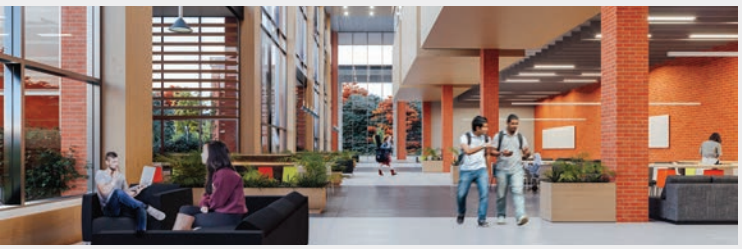
Become tomorrow's leaders, today.

StFX creates leaders.

Since StFX was founded in 1853, our small university has made a large impact on Canadian political, business, and community leadership. StFX graduates have become prime ministers, premiers, members of parliament, CEOs of global corporations, and celebrated community change agents.

In these pages, discover how StFX can help you become the leader you are meant to be.



THE BRIAN MULRONEY INSTITUTE OF GOVERNMENT:

Canada's only undergraduate public policy and governance institute

Want to learn what makes governments tick? Want to learn the ins-and-outs of smart public policy? **You've come to the right place**.

Brand new in 2019, StFX is home to the Brian Mulroney Institute of Government and Mulroney Hall. Named in honour of StFX graduate and Canada's 18th Prime Minister, the Right Honourable Brian Mulroney, Mulroney Hall is a state-of-the-art facility featuring the newest technology in its many traditional and non-traditional classrooms and learning spaces. Learn how transformative leadership meets effective public policy to create lasting, sustainable global change.

THE FRANK MCKENNA CENTRE FOR LEADERSHIP:

The go-to place for leadership development in Canada

StFX's Frank McKenna Centre for Leadership equips aspiring leaders like you with the skills you need to make a difference in the world.

TAKE PART IN PROGRAMS LIKE:

- The Xaverian Leaders Certificate, focusing on key, cross-disciplinary leadership skills
- The McKenna Lecture Series
- The McKenna Fellowship, a one-year, post-graduate leadership program including an 8-month paid placement with the Canadian government in Ottawa
- Paid research fellowships

This is a place of action—forming leaders who are effective, innovative and ethical.

THE COADY INTERNATIONAL INSTITUTE:

Shaping global leaders for global change

Since 1959, the world-renowned Coady International Institute has equipped local and global leaders with the tools for sustainable and equitable community development. In its 60-year history, more than 7,000 leaders from 130 countries have graduated from the Coady Institute's professional development and education programs.

The Coady International Institute was formed based on StFX's strong commitment to fostering social awareness of global issues, and our history of working to create lasting, sustainable community change.

Become a Global Citizen

StFX graduates engaged, socially-minded citizens. Our students aren't content to watch the world pass them by. They jump in and use their newfound skills to bring change and build the type of world they want to live in.

Here are just some of the opportunities you'll have to **expand your horizons**:

StFX has over

40

global partnerships for study around the world

Service Learning:
Experiential learning, unleashed

Enrich your academic learning by getting involved in the community! Service Learning connects students with community leaders to help solve real-world challenges, giving you an opportunity to apply what you're learning—while you're learning it.

DISCOVER SERVICE LEARNING AT STFX:

- **Immersion:** Intensive service learning projects that take place off-campus—often internationally.
- **Course-based:** Courses that feature service learning assignments, typically in the community.
- **Student society:** This extra-curricular society organizes local service learning initiatives. All students welcome.

Admissions to StFX

Applying is quick and easy, and we encourage you to do so as soon as you are ready.

Step 1 Complete your application online at stfx.ca/apply.

Step 2 Have your transcripts submitted.

Once received, we aim to have an admissions decision made as quickly as possible! Please note that admission application and submission of your first semester Grade 12 transcript by **March 2, 2020** will ensure Scholarship eligibility. An application by this date will ensure you are considered for a **National Entrance Scholarship**, and able to complete a **Major Scholarship submission**.

Students from High School in Nova Scotia

Provide your Nova Scotia Provincial Student Number (PSN) at the time of application for StFX to access your transcript through *My Transcripts*.

Canadian and International Applicants

You will need to request your transcript be submitted to StFX officially by your secondary school or post-secondary institution by email to **admit@stfx.ca** or by mail to the Registrar's Office:

Registrar's Office—Admissions
2329 Notre Dame Avenue
Antigonish, Nova Scotia B2G 2W5

Questions?

Contact Admissions at 1.877.867.7839 or email admit@stfx.ca.

For admissions information for students with documented disabilities, please contact the Tramble Centre for Accessible Learning at 902.867.5349 or email tramble@stfx.ca.

General Admission Requirements

For high school students, the minimum requirements include an overall average of 70% in Grade 12, with no mark below 65% in each of the required subjects. Admissions to limited enrolment programs is competitive, meeting the minimum average does not guarantee admission.

All applicant types are welcome to apply. Applicants who have studied at the College or University level must submit all transcript(s) for evaluation. The University may grant transfer credits to a student who has attended another accredited college or university. Applicants who have not met the normal admission requirements may be considered.

Out of Province Applicants

If you are a high school student applying from outside of Nova Scotia, please see **StFX.ca/highschool** for required equivalent courses for admission.

Early Acceptance

Decisions on applications will be made when a transcript has been received. Admission consideration will be given with Grade 11 courses that satisfy the admission requirements of the program applied to. When Grade 12 marks are received for an applicant who did not receive early acceptance, they will be re-considered for admission.

International Students— English Language Proficiency

For applicants whose first language is not English, we will require applicants to meet English language requirements, which can be found at **StFX.ca/englishrequirements**.

International Baccalaureate

Students who complete the International Baccalaureate (IB) Diploma with a minimum score of 24 will be considered for admission. Students can submit predicted results for admission and scholarship purposes, the minimum grade requirement for any subject is 3. Students who achieve a score of 30 or higher on the IB Diploma, with a score of 5 on all higher level and standard level courses, will be granted up to 30 transfer credits.

Advanced Placement

The Advanced Placement (AP) program is accepted for admission on the same basis as Grade 12 academic criteria. Students who have completed courses in the AP program may be granted transfer credit for individual courses when a grade of 3 or higher has been achieved.

Bachelor of Science in Nursing

Additional admission requirements and application dates for the Nursing program are posted at **StFX.ca/nursingadmission**. Successful completion of CASPer is mandatory in order to be eligible for admission to the program.

*Tuition fees, as well as costs for textbooks and supplies, will vary by program. **Residence and meal plan fees vary based on room type and desired meal options. These rates are based on 2019-20 figures and are subject to change.

Financing Your Education

It's important to start thinking about how to finance your education. Here are options for you to consider:

- **Bursaries:** StFX's bursary program offers students over $500,000 each year in financial support. We also maintain an extensive external awards website. Visit **StFX.ca/Bursaries**.
- **Student Loan:** StFX participates in student loan programs with governments in both Canada and the United States. It's never too early to investigate your student loan options!
- **Campus employment:** Approximately 1 in 4 students are employed on campus each year. A great way to cover costs!
