## Dual Degrees

### Bachelor of Commerce Dual Degree

If you would like to combine Business with an Arts or Science program, Nipissing offers you the opportunity to study both and complete a Bachelor of Arts or Bachelor of Science degree with a Bachelor of Commerce degree in as little as five years. This dual degree allows you to study a wider range of general interest and career specific subjects. For admissions requirements, please see page 12. For more information on getting a dual degree, please contact the Recruitment Office at [nuinfo@nipissingu.ca](mailto:nuinfo@nipissingu.ca) or call (705) 474-3450 ext. 4200.

### Concurrent Education

Nipissing offers a 6-year concurrent program that leads to you earning both an honours undergraduate degree in your discipline of choice (except

Nursing and Social Work), and a Bachelor of Education degree. For further details visit [nipissingu.ca/education](http://nipissingu.ca/education)

## Second Degree Applicants

Students possessing an undergraduate degree may proceed to a second undergraduate degree program in another area of study. Students may be admitted to a second degree program if they hold a recognized university degree from an accredited university.

A second degree in Nursing may require the repeating of core credits taken in the first degree, if they are more than 10 years old.

*The Schulich School of Education at Nipissing University is a recognized leader in the field of teacher education. Renowned for graduating exceedingly well-prepared and professionally-minded teachers, the Schulich School will prepare you for teaching and provide you with transferable communication and collaborative skills that are essential to any career.*

For more details, visit  
[nipissingu.ca/schulich](http://nipissingu.ca/schulich)

## Post-Baccalaureate Diplomas (60 credits)

There are five Post-Baccalaureate Diplomas available to international students who have already graduated with a non-business undergraduate degree program from a recognized university. Students will build a foundation of general business knowledge and may specialize in one of the five areas.

Applicants must have a non-business bachelor's degree from a recognized university. At least six credits of university English and/or Communications (at a recognized English language university in an English speaking country) prior to admission or have met Nipissing University's English language proficiency requirements through the acceptable English language tests. The English/Communication courses and/or English language tests must have been completed within the two years prior to attending Nipissing University. Specific details about English language requirements can be found at [nipissingu.ca/englishproficiency](http://nipissingu.ca/englishproficiency)

### Post-Baccalaureate Diploma in Business Administration

Build your general business knowledge and skills through a broad set of courses including topics on commercial law, change management and business strategy.

### Post-Baccalaureate Diploma in Finance

Deepen your financial acumen through the study of topics including portfolio and wealth management, financial derivatives and risk management.

### Post-Baccalaureate Diploma in Human Resource Management

Compliment your study of business foundations with courses in recruitment, industrial relations and human resource planning.

### Post-Baccalaureate Diploma in International Business

Focuses on general business in an international context with courses about international marketing, management and finances.

### Post-Baccalaureate Diploma in Marketing

Build upon business foundation courses with a marketing focus with courses in consumer behaviour, communications, sports marketing and digital marketing.

## Post-Baccalaureate Certificates

### Post-Baccalaureate Certificate in Human Resources Management (33 credits)

This certificate is designed for applicants who wish to pursue the HRP/CHRP designation. Applicants will possess, at minimum, a three-year university degree for admission consideration.

### Post-Baccalaureate Certificate in General Management (30 credits)

This certificate is designed for graduates of non-business degree programs who wish to pursue business studies. Applicants will possess a non-business undergraduate degree for admission consideration.

*Enjoy interactive classes with caring,  
supportive professors.*

# Finance Your Education

International students entering the first year of a degree program at Nipissing University as full-time students in the fall term (September) will be considered automatically for the following entrance scholarships based on their best grades used for admission as long as an application for admission is received by **April 1**. Conditional offers of scholarships will go out with offers of admission. Scholarship eligibility will be reviewed once final grades are available.

*Located in the heart of campus, the Harris Learning Library features naturally lit and large open spaces for studying, collaborating and connecting.*

*Hike to the falls on the trails from campus*

## International Work Study Program

The International Work-Study program provides part-time, on-campus employment to upper year international students who can prove financial need. International Work-Study is not intended to provide emergency funding; rather, it is to act as a supplement to a student's finances and to provide valuable on-campus employment which is allowed via Citizenship & Immigration Canada (CIC).

Contact the International Studies Office ([myinternational@nipissingu.ca](mailto:myinternational@nipissingu.ca)) for more information.

## Scholarships, Bursaries and Awards for Upper Year Students

Full-time, upper year (second year and higher) International students are eligible to be considered automatically for the following scholarships on the basis of their grades in 24 credits over the previous fall/winter. Note that students holding a President's scholarship cannot simultaneously hold a Carl Sanders Scholarship.

Scholarship	Criteria	Value
Carl Sanders Scholarship	>90%	\$1000
Carl Sanders Scholarship	85-89%	\$750
Carl Sanders Scholarship	80 - 84%	\$500
International Student Bursary	At least 2nd year of study with demonstrated financial need (must apply on the Web Bursary application posted on Web Advisor the month of October)	Variable

*There are a number of other donor-established bursaries and awards for which upper year international students may qualify; to be considered, please complete the Web Bursary application that is posted on WebAdvisor (Nipissing's online student portal) the month of October.*

# How to Apply

Nipissing welcomes qualified applicants from outside of Canada to consider applying to degree programs at Nipissing University. Interested applicants must apply for admission through the Ontario Universities' Application Centre (OUAC) at [www.ouac.on.ca](http://www.ouac.on.ca) using the 105 application. Applications and all required official transcripts and applicable supplemental documentation are due by **April 1** for September admission consideration.

## Required Documentation

All secondary school transcripts should be sent directly to Nipissing University from the applicant's school and/or examination board. Documents not written in English must be accompanied by original notarized English translations from recognized sources. Applicants are required to declare and submit any and all postsecondary institutions attended or are currently attending. All postsecondary transcripts must be assessed (Credential Evaluation Report, including a Course-By-Course Analysis) by World Education Services ([www.wes.org/ca](http://www.wes.org/ca)).

## English Language Proficiency

All applicants to Nipissing University undergraduate degree programs from countries where the dominant language of instruction is other than English are required to demonstrate proficiency in English.

Specific details about English language requirements can be found at [nipissingu.ca/englishproficiency](http://nipissingu.ca/englishproficiency)

## International College or University Transfer Applicants

Applicants who have attended or are currently attending a recognized institution will be considered for admission based on their postsecondary studies. Program prerequisites must be met through previous secondary or previous/current postsecondary studies. Further information on prerequisite courses can be found in this brochure under Admission Requirements or at [www.nipissingu.ca/admissionschart](http://www.nipissingu.ca/admissionschart). Courses completed from a recognized institution may be eligible for transfer credit consideration. Transfer credits are assessed after applicants accept their offer of admission. Students possessing an undergraduate degree may be eligible for admission consideration to a second undergraduate degree program in another area of study.
